محکومیت آل سعود توسط رهبری

زبان انگلیسی

*For Muslims, the season of hajj is the season of pride and glory in the eyes of God's servants, the season of enlightening hearts, the season of humility before the Creator and of solemn prayer.*

*Hajj is a heavenly, earthly, divine and communal obligation.*

*Abrahamic hajj, which Islam has presented to Muslims as a gift, is the manifestation of pride, spirituality, unity and glory. It demonstrates to ill-wishers and enemies the greatness of the Islamic Ummah and its reliance on God's eternal power. It highlights the distance between Muslims and the cesspool of corruption, humiliation and tyranny that international oppressors and bullies impose on human communities.*

آل سعود والشجرة الملكية

لَسْتَ بِالْكَافِرِ

*The Islamic and monotheistic hajj is the manifestation of being "firm against the unbelievers, compassionate among themselves" [the Holy Quran, Sura Fath, Ayah 29]. It is the stronghold of renouncing unbelievers and promoting friendship and unity among believers.*

الشيخة عائشة بنت عبد المطلب

*Those who have reduced hajj to a religious-tourist trip and have hidden their enmity and malevolence towards the faithful and revolutionary people of Iran under the name of “politicizing hajj”, are themselves small and puny satans who tremble for fear of jeopardizing the interests of the Great Satan, the U.S.*

آل سفود الشجرة الملك حوثة

Saudi rulers, who have **obstructed the path of Allah and Masjid ul-Haraam** this year and who have blocked the proud and faithful Iranian pilgrims' path to the Beloved's House, are **disgraced and misguided** people who think their survival on the throne of oppression is dependent on defending the arrogant powers of the world, on **alliances with Zionism** and the U.S. and on fulfilling their demands. And on this path, they do not shy away from any **treason**.

Almost one year has now passed since the **horrifying events in Mina**, as a result of which **several thousand people** tragically lost their lives- **under the hot sun** with **thirsty lips**- and this happened on the day of Eid while they were in the clothes of ihram. Shortly before that, another group of people were crushed to death in **Masjid ul-Haraam** while they were worshiping and performing tawaf and salat. **Saudi rulers** were at fault **in both cases**.

Some experts maintain that the events were **premeditated**. The **hesitation** and **failure** to rescue the half-dead and injured people, whose enthusiastic souls and enthralled hearts were accompanying their praying tongues on Eid ul-Adha, is also obvious and incontrovertible. The **heartless** and **murderous** Saudis **locked up** the injured with the dead in containers- instead of providing medical treatment and helping them or at least quenching their **thirst**. They murdered them. عن سید

*Instead of apology and remorse and judicial prosecution of those who were directly at fault in that horrifying event, Saudi rulers- with utmost shamelessness and insolence- refused to allow the formation of an international Islamic fact-finding committee.*

Their propaganda mouthpieces- from the **politicians** whose behavior towards the Zion-ists and the U.S. is a source of **disgrace** for the world of Islam, to **impious** and **haraam-eating muftis** who blatantly issue fatwas **against the Book and Sunnah**, and to **media minions** who are not even deterred by codes of professional conduct from spreading and telling lies- are making **futile efforts** to show that the Islamic Republic is at fault for depriving Iranian pilgrims of this year's hajj pilgrimage.

The **fitna-promoting rulers** who by forming and arming wicked **takfiri groups**, have plunged the world of Islam into **civil wars**, murdering and injuring the innocent and shed **blood** in Yemen, Iraq, the Levant, Libya and other countries

The *godless politicians* who have extended the hand of friendship towards the *Zionist regime*, have closed their eyes on the *Palestinians*... the *irreligious* and *unconscionable* rulers who gave rise to the great tragedy in Mina and in the name of being *servants of the two holy places*, sacrificed divine sanctity and God's guests on the day of Eid in Mina and in Masjid ul-Haraam shortly before that- these same people are now claiming the need to *avoid politicizing hajj* and are accusing others of the *great sins* that they themselves have committed and caused.

آل شجر الشجرة الملائكة

وَإِذَا تَوَلَّى سَعَى فِي الْأَرْضِ لِيُفْسِدَ فِيهَا وَيُهْلِكَ الْحَرْثَ وَالنَّسْلَ وَاللَّهُ لَا يُحِبُّ الْفَاسَادَ  
وَإِذَا قِيلَ لَهُ اتَّقِ اللَّهَ أَخَذَتْهُ الْعِزَّةُ بِالْإِثْمِ فَحَسْبُهُ جَهَنَّمُ وَلَيْسَ الْمِهَادُ

They are the **perfect example** of the enlightening Quranic description: "And when he turns his back, his aim everywhere is to spread **mischief** through the earth and to **destroy** crops and cattle and Allah does not love mischief. And when it is said unto him: Be careful of your duty to Allah, **pride** takes him to **sin**. **Hell** will settle his account, an **evil resting-place**" [the Holy Quran, Sura al-Baqara, Ayahs 206-205].

Based on reports, this year as well, besides barring the participation of Iranian pilgrims and pilgrims from certain other countries, they have placed pilgrims from the participating countries **under unprecedented surveillance** with the help of the **spy agencies of the U.S. and the Zionist regime**. They have made the divine sanctuary **unsafe** for everybody.
